January 26, 2026

Hi Legislative Travelers – In interest of furthering your understanding of the state budgeting process, I am going to recite back to you, word-by-word, all of the testimony of the [30 hours or so of budget hearings from the past week](#). So here goes: Tuesday, January 20, 2026 10:00 AM, Governor Brian Kemp delivers remarks to the members of the joint appropri---

... WAIT! There is **Breaking News**: A storm 100 miles wide and crazy-long is heading your way with lots of cold shoulders, a few buckets of hot air and a significant chance of burying Georgia in a sea of white....papers! Is it: Another Snowmageddon? No. A twenty-four hour [Frozen](#) marathon? No. (and thank god.) The Arctic-air-surg-ing-southward-over-the-contiguous-U.S.-just-as-a-low-pressure-area-is-moving-eastward-pulling-up-moisture-from-the-south-forcing-moisture-and-cold-temperatures-to-meet-resulting-in-some-combination-of-snow-sleet-and-freezing-rain-that-is-going-to-force-you-to-buy-bread-and-milk-and-\$250-worth-of-foods-you-don't-usually-eat-"just in case"? No. It is – my friends - the onslaught of the Georgia Legislative Session: Days 6 through 40 Edition.

So pack up your old kit bag of gum, hand sanitizer, out-of-fashion reading glasses and a few old protein bars (likely left over from last session), and ski on over to your nearest gold-domed, red chair B&B (Bills & Barbeque). The rates are a deal - a mere \$42B for checking in tonight ([AFY26](#)), or only \$38B if you check in July 1 or later ([FY27](#)). (See [last week's budget update](#) to see what you might get for the money!) It's a great escape from your pets, regrets and family members, and guaranteed to move your blood pressure from zero to 160 in a matter of moments! There are NO beds and NO rooftop bars! Plus, we've got a great fitness center too! --complete with an array of Stairmasters conveniently located between floors, weightlifting equipment in the form of state budgets, and all kinds of velvet ropes, "creative lawmaking" and fantastical amendments to stretch not only your mind but your patience as well!

Scroll down to find more exciting information about local events ([advocacy calendar](#)), things to do ([like reading a gazillion bills](#)) and how to "Contact Us" ([via Action Alerts](#)). So BOOK NOW. We look forward to your stay.

Sincerely,
The Management

HB 920	https://www.legis.ga.gov/legislation/72052	(Roberts-52nd)	Prohibits any person who voluntarily associates (participation, formal affiliation, financial support, or public endorsement) with a hate group within the past ten years to serve as a peace officer or in a state militia role. Any person who currently serves as a peace officer or in a state militia role to have been a hate group member within the past ten years is subject to immediate investigation and potential removal from his or her position.	House Public Safety & Homeland Security Committee
HB 954	https://www.legis.ga.gov/legislation/72179	(Bell-75th)	"Eric's Law" - Provides that any person with a physical or mental disability that is not immediately obvious or visible may request to have a symbol placed on the front of their driver's license indicating such disability. An applicant may also request the removal of the symbol from their driver's license. Upon receipt of a request for removal, the Department of Driver Services shall delete any records related to the notation and shall be prohibited from disclosing any information regarding such request.	House Motor Vehicles Committee
HB 994	https://www.legis.ga.gov/legislation/72261	(Cheokas-151st)	Changes the offense of riot from a misdemeanor to a felony with the resulting penalty being imprisonment of one to 20 years. The bill also adds riot to the list of offenses that are not eligible for bail.	House Judiciary Non-Civil Committee
HB 997	https://www.legis.ga.gov/legislation/72276	(Leverett-123rd)	Limits how long the Department of Community Supervision may hold certain offenders in local jails while awaiting transfer, generally capping such holds at 30 days without local approval. The bill significantly increases the minimum per-diem reimbursement paid to counties for housing state inmates—from \$7.50 to at least \$50 per day—and revises when reimbursement begins and ends, tying payments more closely to sentencing, probation revocation, parole warrants, and arrest dates rather than transfer delays. It prohibits most felony offenders, probation violators, and parole violators from serving sentences in county facilities after conviction or revocation, with limited	House Judiciary Non-Civil Committee

exceptions. The bill also clarifies transportation responsibilities, expands reimbursement eligibility (including potential enhanced payments for certain counties), and updates parole-related reimbursement provisions, including allowing reimbursement for medical costs when funds are appropriated.

HB 1011	https://www.legis.ga.gov/legislation/72318 (Gilliard-162nd)	Prohibits vehicle pursuits by law enforcement in residential areas unless there is an immediate risk to public safety or imminent threat of serious bodily injury or death, and probable cause exists to arrest the operator or an occupant for a serious violent felony. Each state, county, and local law enforcement agency must publish their pursuit policies online and establish a pursuit review committee to examine data, officer statements, and video recordings, and to recommend corrective actions, policy updates, training improvements, or disciplinary measures. Agencies conducting emergency response pursuits must publish an annual report detailing the number of pursuits initiated or terminated in residential areas, outcomes, injuries, fatalities, property damage, demographic information of individuals involved, and any disciplinary actions or policy changes resulting from pursuit reviews. The Department of Behavioral Health and Developmental Disabilities (DBHDD) will set the criteria for these grants. Funding for the program will depend on appropriations and the amount	Senate Judiciary Committee

awarded to each recipient will be determined individually by DBHDD for hospitals or local addiction recovery centers. DBHDD will distribute the funds to grantees with adequate geographic diversity. The department is required to partner with an independent consultant to establish program policies and evaluate grant applications. The evaluation will assess the effectiveness of peer support programs in reducing criminal justice interactions, the cost-effectiveness of such programs, differences in program implementation, the impact on the behavioral health system, and the perceptions of peer support programs and their effectiveness by individuals, behavioral health care providers, and program staff.

SB 379 <https://www.legis.ga.gov/legislation/72150> (McLaurin-14th)

Requires the state to develop a health insurance affordability program to reduce the cost of coverage for Georgians purchasing plans through the state-based marketplace, Georgia Access. It directs the Department of Insurance to design the program to include state premium subsidies for individuals earning up to 400% of the federal poverty level, additional cost-sharing reductions for those below 250% of the federal poverty level, and a state-funded, no-premium plan for individuals below 200% of the federal poverty level. The bill requires the department to convene a stakeholder working group to help design the program and to submit a plan and recommendations to the Governor and General Assembly. It also requires a fiscal impact analysis and identification of sustainable funding sources, followed by rulemaking for program implementation. The bill mandates annual reporting beginning in 2028 on participation, enrollment impacts, and outcomes, as well as consumer education and outreach efforts. A comprehensive evaluation of the program is required in 2030, with a report due in 2031. The affordability program would take effect only if enhanced federal premium tax credits are not reestablished after December 31, 2025.

include distance education provided to individuals in the state or delivered from within the state. It limits degree-granting authority to institutions that are accredited or actively pursuing accreditation by a U.S. Department of Education–recognized accreditor. The bill removes the requirement for Title 43–regulated institutions to participate in the Tuition Guaranty Trust Fund, allows institutions to use an irrevocable letter of credit in place of a surety bond, and authorizes denial of applications based on prior regulatory noncompliance or harm to students. It clarifies that formal hearing and appeal rights do not apply to denials of additional course offerings. To protect students in the event of closure or potential closure, the executive director may require submission or seizure of academic records and maintain permanent custody of those records. The bill also revises Tuition Guaranty Trust Fund provisions by exempting long-participating institutions from continued payments, limiting student reimbursement eligibility under specified conditions, and granting the fund an independent right to recover reimbursements from defaulting institutions.

HB 947	https://www.legis.ga.gov/legislation/72145	(Momtahan-17th)	Directs Georgia to seek federal approval to implement new restrictions and administrative changes to the Supplemental Nutrition Assistance Program (SNAP) and sets out requirements that would apply only if that approval is granted. It requires the state to apply to the U.S. Department of Agriculture for a waiver, report regularly to legislative committees on the status of that request, and delay implementation of any SNAP purchase restrictions until federal authorization is received. If approved, the bill requires updates to SNAP systems, retailer guidance, recipient notifications, and monitoring of impacts on purchasing patterns and public health, with multiple reports to the General Assembly. The bill mandates new EBT card design requirements, including the participant's name, photograph, and fraud-prevention information, while preserving use by legally authorized individuals. It conditions SNAP participation on verification of U.S. citizenship consistent with federal law, compliance with federal work requirements, and annual recertification beginning in 2027. The bill also expands state efforts to increase SNAP use at farmers markets and prohibits SNAP benefits from being used for made-to-order foods and beverages intended for immediate consumption within retail stores, requiring point-of-sale controls to enforce those restrictions. SB 365	https://www.legis.ga.gov/legislation/71791 (Watson-11th)	Amends Georgia law relating to agriculture and animals to establish new transparency, testing, and disclosure requirements for certain large-scale organic produce, meat, and poultry producers. It requires large-scale organic produce producers to conduct routine monthly testing for prohibited substances, maintain testing records, and notify state and federal authorities and halt sales if violations are detected. The bill imposes recordkeeping, source verification, and detailed disclosure requirements on large-scale grassfed meat producers, including disclosures about livestock management history, use of livestock markets, deviations from advertised production claims, and whether cattle were over five years old at slaughter. It adds specific labeling, testing, disposal, notification, and sales suspension requirements for beef produced from older cattle, including testing of specified risk materials for transmissible spongiform encephalopathies. The bill also requires large-scale pasture-raised poultry producers to conduct routine avian influenza testing, maintain records, notify authorities of positive cases, suspend sales, and implement biosecurity measures when necessary. It mandates separate tracking of different meat species, sourcing verification for direct-to-consumer sales, and authorizes civil penalties and suspension or revocation of marketing claims for noncompliance. Advocacy Ask

The Ask:

Ask members of the House Appropriations Education Subcommittee to **increase funding for BOOST afterschool and summer learning grants in the FY27 budget by \$8 Million (to reach a total of \$20 Million for grants!)**

The Why:

What is BOOST? The Building Opportunities in Out-of-School Time grants program, or BOOST, is a state-funded, competitive initiative administered through a partnership between the Georgia Department of Education and the Georgia Statewide Afterschool Network (GSAN). BOOST supports more than 50,000 youth through high-quality afterschool and summer learning programs that are evidence-based and designed to strengthen academic achievement and promote whole child development.

Additional State funding for BOOST will:

- Expand access to essential out-of-school time learning across Georgia.

BECAUSE...

- Only 44% of top-scoring applicants* received funding last year due to limited funding.
- This means that MANY high-quality programs are going unfunded across the state.

The Message:

Dear Representative _____,

Please **increase funding for BOOST afterschool and summer learning grants in the FY27 budget by \$7.5 Million** to reach the necessary capacity needed to help fund quality afterschool and summer learning programs across the state which are critical to student success. These dollars enhance student literacy, mental health, and career-ready skills, all while encouraging school attendance and supporting working parents.

Last year Georgia Legislators kindly and wisely appropriated initial funding (\$12.5 Million) for Georgia's nationally acclaimed BOOST grant program. These dollars are supporting afterschool and summer learning in 117 of Georgia's 159 counties and expect to serve over 50,000 kids this school year. Unfortunately, with over \$30 million

in grants requested this first round of funding was only able to support a fraction (44%) of qualified applications, leaving many high-quality programs struggling to serve to their full potential. Hence our request for increased funding.

Thank you for your consideration of these requests and thank you for all you do every day on behalf of Georgia's children and families.
